

Student Computer Device Policy

Purpose

Maria Montessori Academy recognizes that computer devices are widely used and are important tools in today's society. The purpose of this policy is to ensure that the use of computer devices does not interfere with the learning, safety, and security of other students.

The School is not responsible for loss, damage or theft of any electronic devices.

The Director may impose other additional disciplinary consequences for a student's violation of this policy as the Principal determines is reasonable under the circumstances, including the nature of the violation and other disciplinary actions in which the student has been involved. Such disciplinary actions may include:

- Loss of the privilege to possess or use electronic devices
- Disciplinary letter to the student's parent/guardian that is placed in the student's file
- Detention
- In-school suspension
- Suspension
- Expulsion
- Loss of the privilege of participating in school-sponsored activities or of receiving honor recognition.
- The School will contact law enforcement as circumstances warrant.

An individual, teacher, counselor, or director, that finds or confiscates an electronic device may search the device for the purpose of determining the device's owner. Students are not to attempt to ascertain owners/up of any device that they may find. Electronic devices that are used inappropriately may be subject to search by the Director only if there is a reasonable suspicion that the device has been used to cheat or to threaten, embarrass, harass, or intimidate other students, teachers, volunteers, School guests, or School employees.
