Enter Stage Right Drama Club

We are excited to welcome Ms. Chelsea to teach **Drama and Theater** skills to our talented kids.

Beginning as an after school activity, we will learn **improv, character growth, movement, and other theater games**. The vision for the *Enter Stage Right* Drama Club is to prepare our MMA students for **theater in High School** and beyond.

Ms. Chelsea comes to us with over 20 years experience in every avenue of Theater, including a solid background in Shakespeare, musical theater, costuming, acting direction, and Children's Theater. She has been professionally trained in theater, voice, dance, as well as the art of expression, presentation, and personal confidence.

As a mother of 3 children (2 here at MMA), she recognizes the value of drama and theater in the lives of our youth to build confidence, encourage expression, and just plain have fun! Whether you are a veteran of performance or a newbie, come join us and see how you can grow from here!

The MMA *Enter Stage Right* Drama Club will start as an after-school activity with the goal of a production at the end of the school year.

Start Date: October 21st
