Policy: Electronic Meetings Policy
Adopted: January 12, 2016

Purpose

The purpose of this policy is to establish the means and procedures by which the Board of Directors (the “Board”) may conduct electronic meetings in accordance with the provisions of the Utah Open and Public Meetings Act (the “Act”), including Utah Code Ann. § 52-4-207.

Policy

Definitions

The Board adopts for application in this policy the definitions in the Act at § 52-4-103.

Electronic Meetings

The Board may, from time to time as needed, convene and conduct electronic board meetings. For the purpose of this policy, an “electronic board meeting” is defined as a meeting convened and conducted in accordance with the Act by means of telephone, teleconferencing, or other electronic telecommunications media by which all participants participate by audible oral communication.

The Board will establish one or more anchor locations for the electronic board meeting, at least one of which is the building where the Board would normally meet if they were not holding an electronic meeting.

The Board will provide space and facilities at the anchor location so that interested persons and the public may attend and monitor the open portions of the meeting. If public comments will be accepted during the electronic meeting, the Board will provide space and facilities at the anchor location so that interested persons and the public may attend, monitor, and participate in the open portions of the meeting.

Notice

Prior to conducting an electronic meeting, the Board shall provide advance notice of the meeting in accordance with the Act.

Notice shall be provided to all Board members, as well as to members of the public in accordance with the provisions of the Act.

Each notice shall describe the means of communication by which members will be connected to the electronic meeting and the anchor location.
